SUBSIDIES FOR MATHEMATICS ADDITIONAL QUALIFICATION (AQ) COURSES

As part of Ontario's Renewed Mathematics Strategy, the Ministry of Education, in partnership with the principal's associations, has created full subsidies to support participation in Mathematics AQ courses for principals and vice-principals. These subsidies will be administered by the principals' associations - ADFO, CPCO and OPC.

Please review the list of requirements below to determine whether you are eligible to receive this subsidy.

Timeline:

Math AQ Course subsidies will be administered for completed courses between May 1, 2018 and March 31, 2019, upon pre-approval by your principal association.

Courses that qualify:

- Any Mathematics AQ
- Principal's Development Course – Mathematics Module
- Special Education for Administrators Qualification Program

Eligibility:

To qualify for a subsidy towards the Mathematics AQ Course, you must

- be a practising principal or vice-principal in an Ontario District School Board
- be a regular member in good standing with their respective principal association
- have applied and been approved for this subsidy by your respective principal association
- submit documentation of successful completion of a Math AQ course during the designated timeline as well as any other required documentation
- complete a survey regarding their experience in the course and the resulting impact and
- be willing to provide the MIDENT number for their school which will be shared with the Ministry of Education.

 For specific inquiries about the Math AQ Subsidy, you can email us at elc@principals.ca.

Reimbursement:

Upon submission of all required documentation, a reimbursement cheque for the full amount of AQ cost will be issued to the applicant.

SUBSIDIES FOR MATHEMATICS ADDITIONAL QUALIFICATION (AQ) COURSE APPLICATION FORM
